

# Death in Adam

Pastor Frank Friedmann

Communication problems can be:

- 1) Funny
- 2) Harmful
- 3) Deadly

Especially when it comes to communication  
between God and Man...

God is the source of life

**If you miss God... You miss life!!!**

**JOY** be made full!

**PEACE** I leave with you!

Give you **LIFE ABUNDANT!**

Weak, Weary > **REST!**

Truth will set you **FREE!**

**JOY  
PEACE  
ABUNDANT LIFE  
REST  
FREE**

**How many Christians do you know that  
have even TWO of these as an abiding  
presence in their lives?**

**How many in your life?**

**We have a problem!**

**Either Jesus was the  
biggest liar that  
ever hit the planet...**

**- or -**

**The church is missing the Gospel!**

Does Jesus have a problem  
giving these things?

Then we must have a problem  
receiving these things!

Not talking about second blessing;  
Second work of Grace!

Col. 2:10 “You are **complete** in Him”

Eph. 1:3 “Every spiritual blessing” is  
**already** ours.

When we received the Holy Spirit, we  
received **all of Him**.

A person cannot be divided into parts or they  
cease to be a person.

The real problem is not in receiving,  
but knowing/seeing what you have  
already received.

Yates Becomes Millionaire Overnight!

--- NO! –

Mr. Yates was always a millionaire,  
he just didn't know it!

The church doesn't know what it has!  
The Bible anticipated this phenomenon!

Eph. 1:3-14 -- Look at all you have!!!

v. 15-20 – I pray you'd understand  
what you have!

Know > Believe >  
Act (even if no feel) > Feel (experience)

My supreme job as a teacher/pastor is to  
evangelize the Christian community!

Romans 1:15 To the church (CHRISTIANS)

“I can’t wait to share the gospel with you!”

Heaven is not a destination.  
Heaven is inside of you now!

If you don't know this you will end up  
pursuing life instead of experiencing life.

Doing in order to live is not the Gospel...

Rom 5:17

Death reigned through Adam...

Rom 5:12

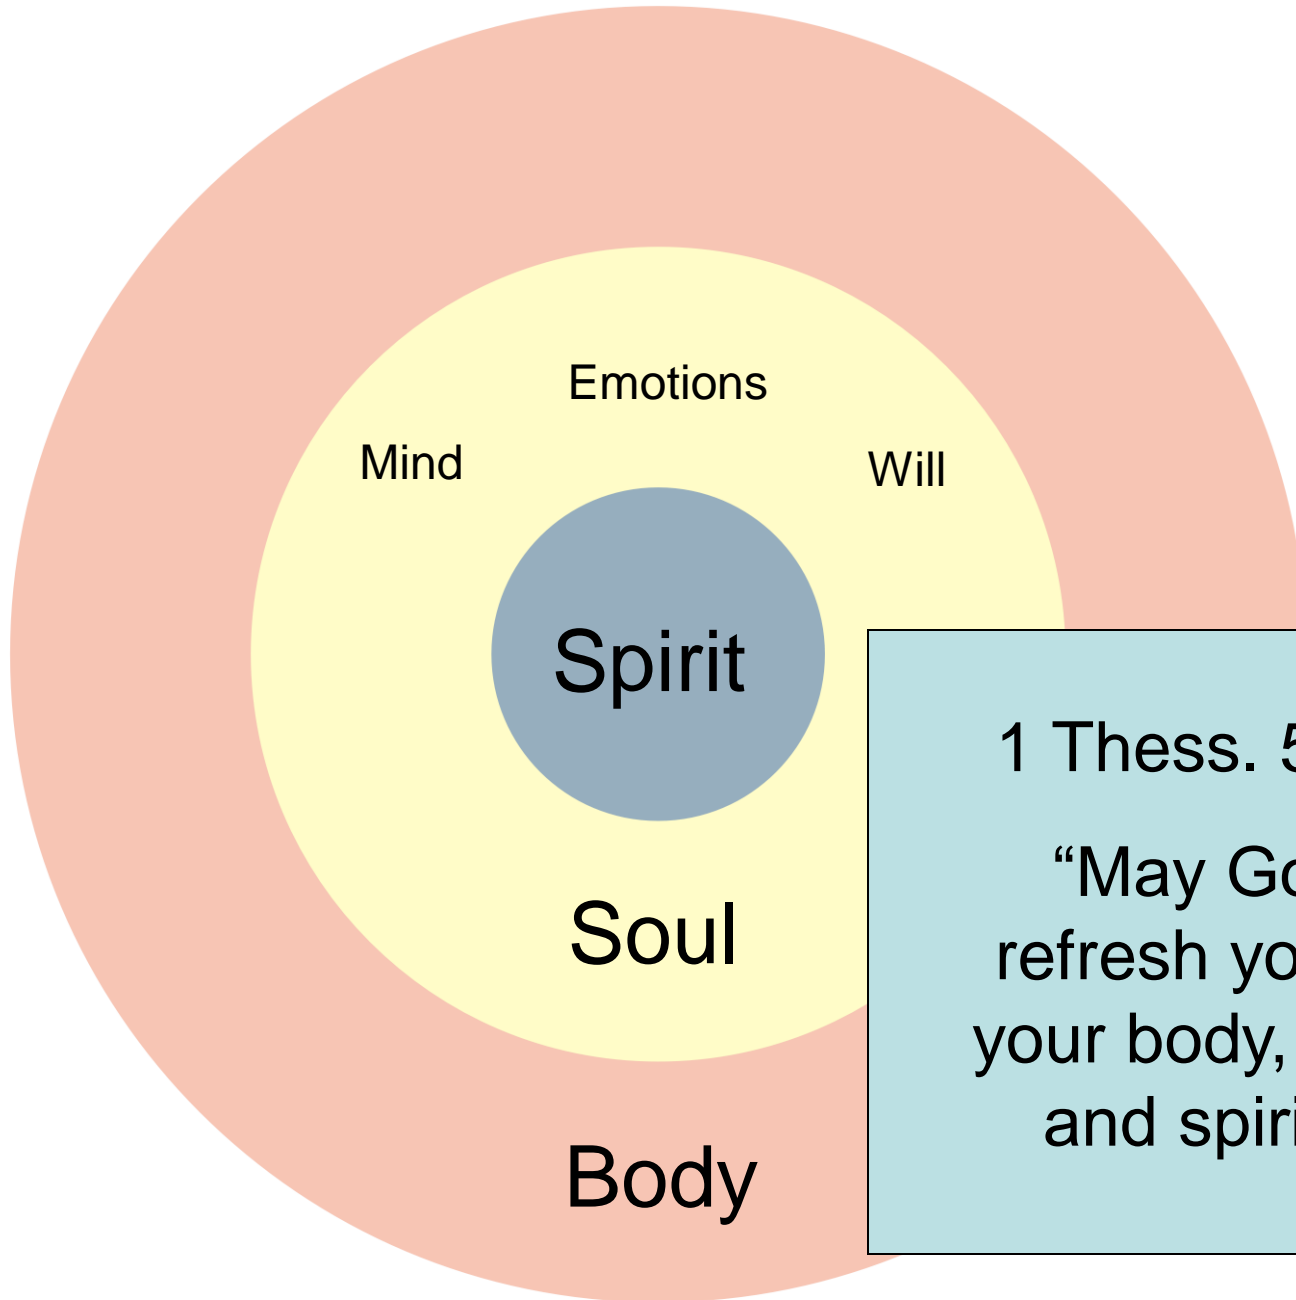

Death passed upon ALL men...

There is the sentence of death **over** us;

The experience of death **in** us;

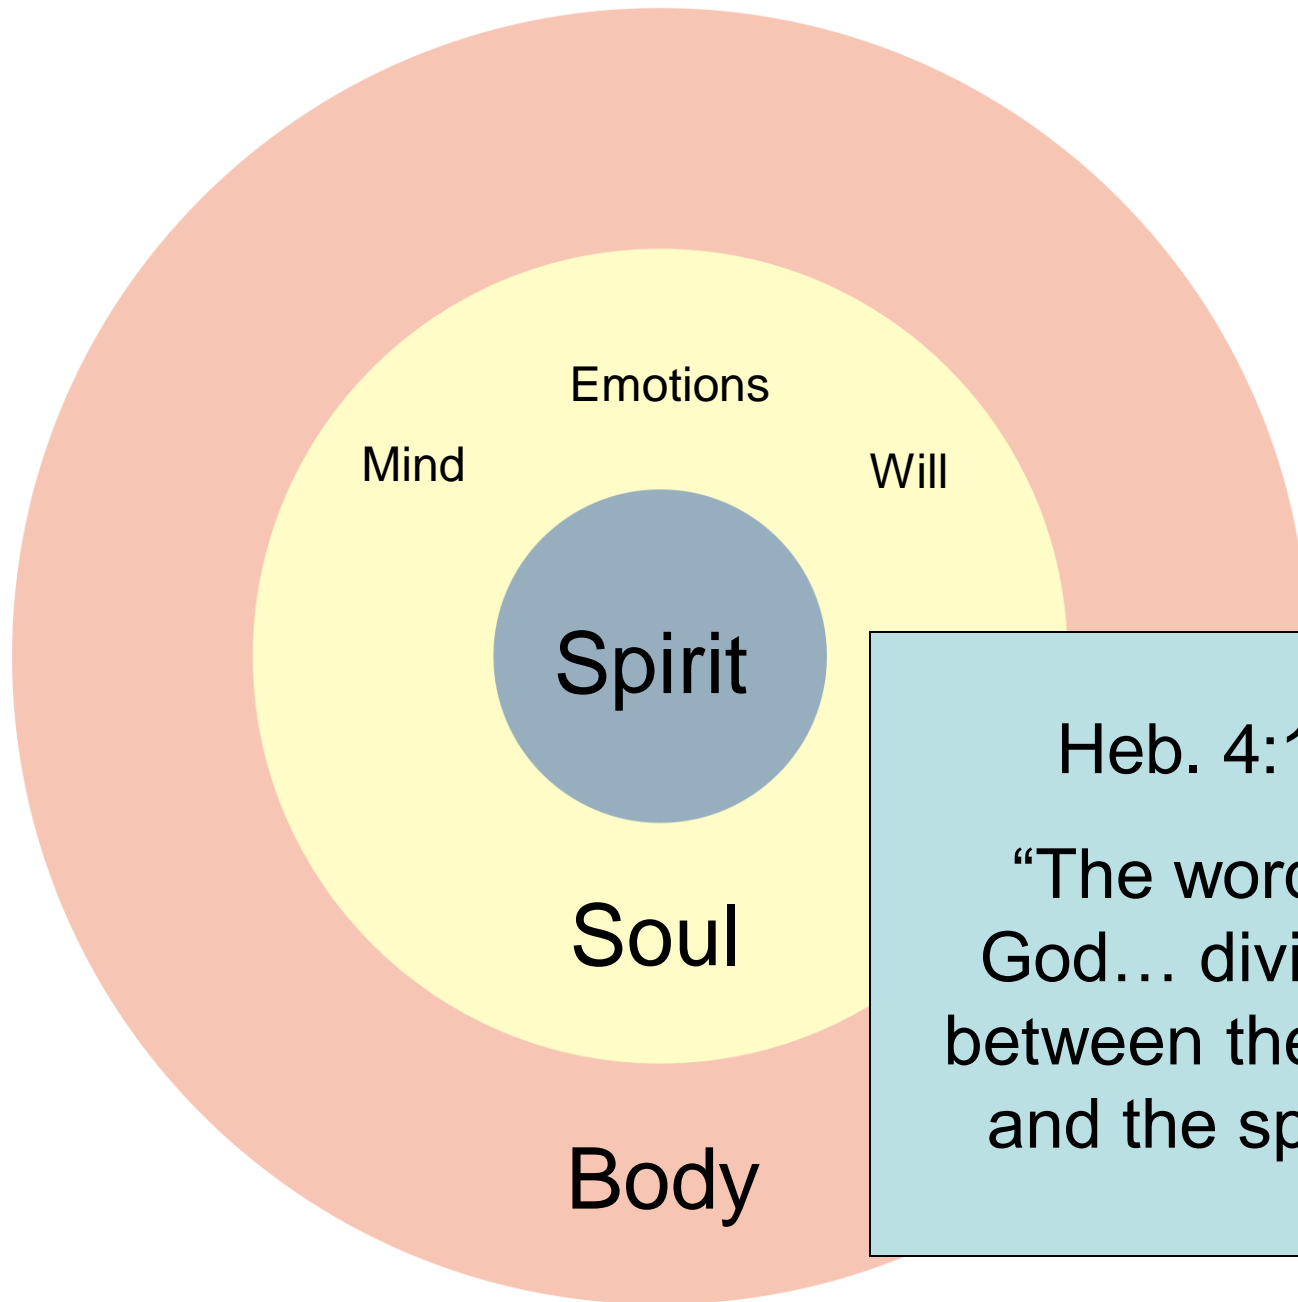

The expression of death **through** us!
